CAREER OBJECTIVE

Fresh IT graduate with a strong interest in Data Science and a solid foundation in machine learning, data analysis, and programming. Proficient in Python and key ML tools. Eager to grow in a data-driven role and apply analytical thinking to real-world problems.

EXPERIENCE

Summer Trainee

Saudi Binladin Group

June 2024 - July 2024

Jeddah, Saudi Arabia

- Completed rotational training across Cybersecurity, Networking, Innovation, Technical Support, and Software Engineering
- Developed skills in creative problem-solving and customer-facing technical support
- Acquired knowledge of Software Development Life Cycle (SDLC) processes.
- Strengthened technical versatility through exposure to multi-disciplinary IT environments

EDUCATION

Bachelor's Degree in Information Technology – Second Class Honors

King Abdulaziz University, Jeddah, Saudi Arabia.

Aug 2020 – May 2025

GPA: 4.64 / 5.00

PROJECTS

Smart Secretary System (Graduation Project)

Web Platform Project

Aug 2024 – May 2025

Python, Flask, React.js

- Led the development of a full-stack digital platform to streamline communication between students and the IT department
- Delivered key functionalities including an AI-powered chatbot, appointment scheduling, and a ticketing system.
- Implemented robust role-based access control to ensure secure, role-specific access.

SmartOpp

AI & NLP Capstone Project

Aug 2025 – Sep 2025

Python, AraBERT, Scikit-learn

- Led a six-member team in developing an AI-powered system that automates job hunting by analyzing WhatsApp group announcements and matching them with user CVs.
- Engineered and fine-tuned multilingual NLP models (AraBERT) to accurately classify and recommend job opportunities in both Arabic and English.

CERTIFICATIONS

- IBM Data Science Professional Certificate – Coursera
- JavaScript Essentials 1 (JSE) Course – Cisco

SKILLS

Programming: Python, SQL, R, JavaScript, Java

Frameworks: TensorFlow, PyTorch

Data Visualization: Matplotlib, Plotly, Seaborn

Tools: Git, Docker, Jupyter, Google Colab

Libraries: NumPy, Pandas, Scikit-learn

Soft Skills: Leadership, Communication, Teamwork, Adaptability, Problem-Solving, Time Management

LANGUAGES

- Arabic – Native
- English – IELTS 6.5
